

Office of the President

September 26, 2006

The Honorable Tom Coburn
Chairman
Subcommittee on Federal Financial Management
439 Hart Senate Office Building
Washington, D.C. 20310

Dear Senator Coburn:

I am writing to advise you that Marshall University will be providing a response to your request for information.

To sufficiently address each issue in your letter while simultaneously continuing to focus on our fall academic semester which is well underway, Marshall University will require more time than that indicated in your letter in order to collect pertinent information and data. Our objective will be to send a response to you shortly after the date when the United States Senate returns from its upcoming 2006 scheduled recess.

Sincerely,

Stephen J. Kopp, Ph.D.
President
